

# Board Vitals: Family Medicine

---

**Release date:** September 1, 2017

**Expiration date:** July 30, 2019

Estimated time to complete activity: Up to 40 hours

## Overview

Board Vitals provides a high-quality, effective, and a powerful board review tool that is used by practicing physicians, residents, and medical students.

A question bank for Family Medicine provides up-to-date questions and explanations with answers. The full-length practice exam is a means to judge one's overall preparedness and a way to compare with their peers to estimate what their score might be on the board examination.

## Target Audience

The target audience consists of practicing physicians, residents, and medical students specializing in Family Medicine.

## Learning Objectives

Upon completion of this activity, participants should be able to:

- Provide current guideline-based approaches to the topics presented
- Improve your ability to diagnose and manage patients in these areas
- Incorporate evidence-based changes into your practice
