

BoardVitals: Otolaryngology

Release date: January 1, 2020

Expiration date: December 31, 2021

Estimated time to complete activity: Up to 54 hours

Overview

BoardVitals provides a high-quality, effective, and powerful board review tool that is used by practicing physicians, residents, and medical students.

A question bank for Otolaryngologists provides up-to-date questions and explanations with answers. The full-length practice exam is a means to judge one's overall preparedness and a way to compare with their peers to estimate what their score might be on the board examination.

Target Audience

The target audience consists of practicing physicians, residents, and medical students specializing in Otolaryngology.

Learning Objectives

Upon completion of this activity, participants should be able to:

- Provide current guideline-based approaches to the topics presented
- Improve your ability to diagnose and manage patients in these areas
- Incorporate evidence-based changes into your practice
