

BoardVitals: Evidence-Based Updates for the Clinician

Release date: October 1st, 2020

Expiration date: September 30th, 2022

Estimated time to complete activity: Up to 40 hours

Overview

BoardVitals provides a high-quality, effective, and powerful learning tool that is used by practicing physicians assistants, residents, and medical students.

A question bank for physician assistants provides up-to-date questions and explanations with answers. The full-length practice exam is a means to judge one's overall preparedness and a way to compare with their peers to estimate what their score might be on the PANRE examination.

Target Audience

The target audience consists of practicing physician assistants, working in a clinical setting.

Learning Objectives

Upon completion of this activity, participants should be able to:

- Understand the current best practices in ambulatory and hospital care.
- Select appropriate imaging and diagnostic tools for evaluation.
- Implement evidence-based therapies, including pharmacotherapeutics, in their practices.
